

Alliance Airlines Proposed Charter – Expression of Interest

The Outback Queensland Masters has grabbed the attention of road-trippers, golfers and those just wanting more of those special experiences that make Outback Queensland.

For the first time, Alliance Airlines has an 80-seat charter flight at the ready for the climax in Longreach on July 23-24-25 if the demand is there.

The Brisbane-Longreach return charter is open to all. You may be a Brisbane golfer/holidaymaker just curious and eager to see what makes the award-winning Outback Queensland Masters tick. You might already have qualified for a shot at the Million Dollar Hole-in-One Challenge in Longreach at the earlier stops in Biloela, Charleville, Quilpie, Blackall and Hughenden.

Another 13-hour drive to Longreach might not fit for you but this golf charter certainly will.

Package includes;

- A tailored fly-in, fly-home charter
- Two nights accommodation
- Outback Player Pass for the Outback Queensland Masters

It's easy, it's fun and all the other attractions of Longreach await if you wish to explore the Australian Stockman's Hall of Fame & Outback Heritage Centre, the Qantas Founders Museum and other sights.

The brief outline...

Friday, July 23: Fly Brisbane-Longreach, 9 holes golf, Dinner Under The Stars, hotel stay

Saturday, July 24: 9 holes golf, presentations, afternoon-night at leisure

Sunday, July 25: Million Dollar Hole-in-One Challenge (only those who have qualified and played two qualifying events), fly Longreach-Brisbane.
